*Virgin Mobile USA, L.P. does not have a monthly regular rate like the other federal Lifeline wireless service providers.

**Additional voice minutes and additional domestic messages must be purchased on an a la carte basis in \$3, \$5, \$10, \$20, \$30 and \$50 denominations.

***Only the optional and unused additional purchased voice minutes/messages will roll over to the next service month if the service remains active.

****Virgin Mobile USA, L.P. will refund the \$20 to the consumer after the California LifeLine Administrator determines the consumer is eligible for the federal Lifeline program.

More Virgin Mobile USA, L.P. Tidbits

Virgin Mobile USA, L.P. will provide an introductory, complimentary allowance of 10 free minutes of which are available after activation of the handset. The regular usage rates will apply after these 10 introductory minutes are used up. Virgin Mobile USA, L.P. will charge the “regular” rates (*a la carte* rate of \$0.10 per minute or text message) until the applicant’s federal Lifeline eligibility is approved. Afterwards, consumers may select the Free Plan, the \$5 Plan, the \$20 Plan, or the \$30 Unlimited Plan.

However, as a **limited promotion**, Virgin Mobile USA, L.P. will provide the 250 minutes and 250 text messages at no cost while the applicant is still going through the application process.

If the consumer’s cash balance at the end of the month is \$0, the consumer would default to the Free Plan and has the option to add the \$5 Plan, \$20 Plan, or \$30 Plan to his/her account at any time during the service month. Alternatively, additional voice minutes and text messages may be purchased on an *a la carte* basis for 10 cents each by using either a Virgin “Top Up” card (available at retail locations), a debit card, credit card, or Pay Pal.

Consumers may upgrade their plan at any time from the Free Plan to the \$5 Plan, the \$20 Plan or the \$30 Unlimited Plan. Consumers may also default to the Free Plan at any time and that there will be no charge for changing from one service plan to another.

After approval of federal Lifeline eligibility, the federal Lifeline participant will choose a federal Lifeline plan and Nexus Communications, Inc. will credit the consumer for the difference in price between the selected federal Lifeline plan and the comparable regular rate plan. If an applicant is denied eligibility for federal Lifeline, the consumer will continue to receive service under the previously selected regular rate plan at the applicable charges, or may also switch to a different regular rate plan.

Nexus Communications, Inc. certifies that information concerning its rates, terms, and conditions of service and plans will be provided in writing with the handset. The information will also be available on Nexus Communications, Inc.'s Web site or through a free call to Nexus Communications, Inc.'s customer service.
